Chapter 2 by Kiri

After zero luck from the Oracle, Percy headed down to the lake in search of Annabeth, Grover, or Tyson. "Where the heck did everyone go?" Percy pondered, frustrated. He then decided to send an Iris message up to Olympus in case he was missing out on some spontaneous field to visit the gods and goddesses. However, when he made it back to his cabin where the fountain was, it was already glowing. Curiosity, of course, got the better of

him, so he threw his last drachma into the shimmering water. The water vibrated, and then suddenly, an Iris message appeared.

Chapter 3 by Fiona

"Who's face is this." Percy questioned.

"I'm Harry Potter. I come from Hogwarts witchery school. I'm here to fight you to see who is better. Me or you. Meet me at Half-Blood hill tonight at 4:00 PM." The image in the water disappeared.

"Who is Harry Potter and what the heck is Hogwarts?" Percy asked himself.

"I guess I could bring Grover and Annabeth." Percy murmured.

Percy searched all through out Half-Blood hill for Grover and Annabeth. Finally he found them.

"Grover! Annabeth!" Percy yelled.

"What?" Grover asked.

"This image appeared in the fountain and it was a face of this guy. The image talked and he said his name is Harry Potter and he's from a place called Hogwarts." Percy told Grover and Annabeth.

"Oh. Harry Potter. He has tried to fight me and Grover before because he tries to show off but both time me and Grover won. Don't worry Percy. That Harry Potter dude isn't very good. All he has is this magic wand." Annabeth told Percy.

"Ok..." Percy said.

"Well i'm gonna practice fighting because why not." Percy said. as he walked off to his cabin.

Hermione!). This Percy guy was not easy to look up, meaning not well-known in the U.K. She had kindly drilled into my head the gist of who this Percy bloke was as well as a variety of Greek tactics she thought this Percy guy may maneuver.

This time I had more confidence going into the duel and of course, Hermione and Ron both had my backs, but they knew the rules of a duel just as well as I did. Stashing my wand in my back pocket and heading over to my trusty portkey, a shoe. My friends gave me a last farewell before I was whisked away to America...

Chapter 6 by Kiri

Percy's parting words were, "We have the gods on our side! Who's on yours?" This stopped the three wizards in their tracks. Harry turned and shouted back incredulously, "You're joking right?! Now, I'm no longer as ashamed of Hogwarts's third loss. Cheers to you mate, you've got power in your blade."

Hermione then interjected, "Though, don't be getting a big head. If this had been a test of intellect, you would've been sorry."

"Is that so?" Annabeth called out skeptically as she took a step toward the foreigners.

Percy gave a nervous laugh before interceding, "I don't think we need to go through this again.

Plus, I'm sure that I doubt I could outdo you if I had water. Even though we won, you guys really put up a good fight. It's well fought. I mean, it's so different from ours!"

Grover finally spoke, "I don't know what a "three broomsticks" is, but we would be happy to show you around. But wait, can't you just teleport out of like your two buddies did."

"It's actually called disappearing, but I don't blame you for not knowing the proper term," Ron replied a bit sassily, "But anyway, my mother thought it dangerous to disappearate all the way here, so she allowed only one apparition."

Percy gave a small chuckle, "You guys may have disappearing, but wait until you guys meet my cyclops half-brother Tyson!" Harry, Ron, and Hermione all gasped!

Chapter 7 by Holley Marini

As Percy, Annabeth, Grover, Harry, Ron, and Hermione were walking, Tyson burst out of a bush. "Surprise bro-" he stopped his words short. "Who are they?" He said in a confused manner. Harry, Ron, and Hermione backed away.

" This is Harry, Red head kid and smart girl" Percy announced.

"That would be Ron and Hermione" Hermione said angrily but still keeping her distance.

"Are they good?" Tyson said starting to get worried. Just then Ella the Harpie landed on his shoulder.

Chapter 8 by Matthew Wright

Tyson turned his head and grinned at her. "Hey boo." The harpy shrieked back- "Hey babe!" Ron gaped at them. "You have a harpy as a girlfriend?"

Tyson looked defensive. "And? What about it?" Ron gulped. "Nothing." "Blimy, she's ugly though.", he muttered. Tyson sharply looked up. "What did you say?!" Ron nervously said, "Nothing", again.
